

Welcome to the Graduate School of Engineering and Science, University of the Ryukyus, Okinawa, Japan

January 5, 2023

Hello to all applicants! I am pleased to announce that we are recruiting students from all over the world in the Graduate School of Engineering and Science, University of the Ryukyus, Okinawa, Japan.

Our graduate school offers two programs: the “Resilient Smart City Program” in the Faculty of Engineering and the “Leadership for ASEAN Marine Environments and Resources (LA MER) Program” in the Faculty of Science, here in beautiful Okinawa.

We, the Faculty of Engineering, are offering Master’s and Doctoral courses in the Resilient Smart City Program. It is our goal to foster world-class engineers and scientists, capable of solving current world problems on the basis of research carried out at University of the Ryukyus.

This is an excellent opportunity to study and have many exciting experiences on our beautiful island, Okinawa. We look forward to receiving your application for our program.

I wish you all the best.

Sincerely,
